

STIHL FSA 90 BATTERY B

£0.00 ex VAT

Powerful, cordless, bike handle brushcutter for working on large areas of tough grass. Supplied with a 260mm, two sided grass cutting blade and double shoulder harness for comfort. The ergonomic control handle features STIHL ECOSPEED technology, allowing for partial load control and increased run times.

The AP battery that is needed for the FSA 90 is compatible with all other STIHL AP System tools, and there is a range of batteries to choose from depending on how long you need to use the tools for.

- Type: Lithium Ion battery
- Power: 36 V
- Weight: 3.2 kg (excluding battery)
- Recommended: AP 300 battery & AL 300 charger
- Run time with AP 300 battery: 30 minutes
- Warranty: 2 years

Get a second battery half price when you buy the promotional STIHL cordless tool set with a tool, recommended batteries and charger. The price paid will include the second battery at half price.
