

Stihl SR 450 Petrol Mist Blower

£600.00 ex VAT

EX-DISPLAY Stihl SR 450 petrol mist blower

This machine has never been used or fueled, it does however have a couple of marks / scratches where its been handled around the depot.

This machine comes with full Stihl manufacturer warranty.

The STIHL SR 450 is a professional-grade mist blower that covers all the bases. Its low-emission, fuel-efficient engine delivers a 20% greater spray range when compared to other models.

Ideal for distributing liquid disinfectants, chemicals and solid compounds, this back-pack sprayer/duster converts from misting to dusting applications without any special tools or additional equipment.

It's easy to use and provides excellent control over product feed and air speed. And for additional versatility, the mist blower also quickly converts to a powerful leaf blower for fast debris clean-up.

- Displacement: 63.3cm³
- Capacity: 14 litres
- Weight: 12.8 kg
- Warranty: 2 years
